

#### **Invitation**

Dear Colleagues,

It is a great honour and pleasure to invite you to participate in the "2" International Conference on Natural Products and Physiologically Active Substances" and in the 3" EuroAsian Heterocyclic Meeting "Heterocycles in Organic and Combinatorial Chemistry", which will be held simultaneously in Novosibirsk (Russia) from September 12 to September 17, 2004. Through your participation you will have the opportunity to present the results of your recent research, attend lectures delivered by eminent scientists, and discuss ideas with researchers from all over the world. Additionally, you will have a chance to taste the flavour of Siberia and Siberian science.

## **Scientific Scope and Program**

The meetings will deal with all aspects of the chemistry of natural products and physiologically active compounds as well as various aspects of the chemistry of natural and unnatural heterocycles with special focus on the combinatorial libraries preparation and their high-throughput screening. The Conference will include Plenary Lectures (50 min), Invited and Selected Oral Communications (30 min) as well as Poster Presentations. The full list of prominent scientists, who have agreed to take part in the meetings, is placed at the web-site of the conference.

## **Sponsors**

An exhibition of scientific equipment, books, computer programs and chemistry related products is planned during the meetings. Sponsoring organizations are welcome. Requests for sponsorship opportunities should be placed to the conference secretariat.

#### **Venue and Accommodation**

The Conference will take place in the summer resort situated in beautiful pine woodland, only 7 km from the Novosibirsk Scientific Center and 30 km from downtown Novosibirsk. Novosibirsk, having a population of 1.5 million citizens, is ranked third among the biggest cities in Russia.

## Language

The official language of the conference will be English. No simultaneous translations will be provided.

#### **Social Program**

An attractive social program including the Welcome Mixer, Reception, Conference Dinner will be arranged for participants and their partners. The delegate and partner programs will feature several interesting tours within Novosibirsk and its surroundings. 2-day post-conference tours in Tomsk and Altai Mountains, a boat trip along fascinating Ob' river, visit to Nikolai Roerich famous collection in the Novosibirsk picture gallery are planned. Details will be given in the second circular.

#### Visas

Non-residents of the Russian Federation attending the Conferences are required to have both a valid passport and a visa (if necessary). On request, the Conference Secretary will be happy to send a personal invitation for participation at the Conferences.

### **Preliminary Registration**

All persons wishing to receive the Second Circular are requested to complete the attached reply card and return it before March 15, 2004. Registration *via* Internet is preferable (http://www.nioch.nsc.ru/conf2004/). The Second circular, to be mailed by March 20, 2004, will contain information on the call for papers, registration, hotel accommodation and social program.

#### **Estimated Conference Payments**

Estimated conference payments including registration, full accommodation, all meals, and some social events amount to:

Business participants: 600 EUR

Academic participants:

accommodation in a single room: 450\* EUR (350\*\* EUR) accommodation in a double room: 350\* EUR (250\*\* EUR) Students: 250\* EUR (150\*\* EUR) Accompanying persons: 150\* EUR (100\*\* EUR)

\* for participants from outside the Former Soviet Union

\*\* for FSU participants

#### Climate

It is the time of the so-called "Golden Autumn" in Novosibirsk in the middle of September and the usual temperature is 10 to  $20^{\circ}$ C depending on the year.
